STIPULATION

Due to the highly likely unbeneficial outcome of the mediation conference set for March 21, 2018, Morteza Karimi (“Plaintiff”) wishes to reschedule the March 21st mediation to a date after the TRO and Preliminary Injunction hearing, subject to confirmation by the court-appointed mediator Tamara Lange, Esq.

If it is not possible to reschedule the mediation conference set on march 21, 2018, Plaintiff wishes to appear by telephone. At this time, Plaintiff does not have very much money and would be forced to make a twenty-six hour drive from Austin, Texas to San Francisco, California to attend the mediation that will most likely have no different outcome than the proposal already made by Defendant. Defendant has been unwavering in it's offer and has shown contempt for Plaintiff as a *pro se* litigant.

IS SO STIPULATED.
